

Role:

Client Manager – Business Services

At Collins SBA, we have an inspiring team of finance experts who are thrilled to be part of Collins SBA's high growth phase and ambitious plans.

We didn't become a thriving financial solutions business by accident. We know for us to be successful we need to attract the right people with the right attitude - people who understand the importance of building and maintaining real relationships with clients and providing remarkable service.

We show our appreciation to our team by paying salaries that are top of market. This helps ensure our team feel valued and motivated every day. Perhaps even more importantly, we invest heavily in training (technical and personal development) to ensure that the team are leading the way in terms of applying their knowledge to helping clients.

About you

You might be working as a manager or senior accountant and thinking about your next move. Right now, we have a vacancy for a Client Manager – Business Services. This is a key position within our organisation where you'll show daily that you're great with numbers and even better with people. To be successful, you'll need the following attributes:

- You are CA, CPA, MBA or CTA qualified or equivalent experience.
- You understand the importance of building and maintaining real relationships with clients and providing remarkable service. You don't hide behind emails, you love talking to clients and meeting with them to help solve their problems.
- The clients you look after are thrilled by your remarkable service and innovative advice. Your goal-orientated nature means you're happy to be held accountable to the pre-agreed targets.
- You understand that teamwork can produce the best results and most rewarding experiences.

Up for the challenge?
